Comments:

The request for correcting the spelling of the word Transceiver is acceptable.

However, the request for changing the dependency of claim 6 is not acceptable. This is not an error on the Office's part, but, rather an attempt to alter the scope of the claim, i.e., claim 6 currently requires only the specifics of claims 1 and 4 as opposed to the proposed change in which claim 6 would also include the limitations of claim 5.
